Drama for Schools (DFS) is a research-based professional learning program model in arts-based pedagogy facilitated by faculty and staff from the College of Fine Arts and the College of Education at The University of Texas at Austin.

Full Staff/Small Group Workshops

Customizable full day, half day or after school trainings in arts-based pedagogical strategies and learning design for teachers, curricular specialists and administration.

In-School Residencies

DFS Teaching Artists partner with teachers to model, co-facilitate and observe arts-based strategies and learning experiences in the classroom with a focus on partners' content interests and goals.

DFS Summer Institute: Activating Learning through the Arts

The Summer Institute is a comprehensive pedagogical exploration and immersion training experience in the use of arts-based pedagogy across the curriculum. This three to four-day intensive arts integration training program provides a structured, supportive environment for participants to explore the power of learning in and through the arts.

Check out our open resource:

Google "Drama-based instruction" to access 150 lessons and 100 strategies.
